

Don't Cry for Me

Sam Bailey

Didn't want to hurt you
Didn't want to let you go
I never thought it would end this way
Somethings you can't control
When you think of me and wonder where I am tonight

Don't cry for me
Don't be afraid
I'm on my way
To a brighter place
I'll be watching
Up above
A shooting star
Filled with love
Don't cry for me

We will always be together
I'm always in your heart
So many things I should have said
I don't know where to start
I always did my best
I hope you think I did alright

Don't cry for me
Don't be afraid
I'm on my way
To a brighter place
I'll be watching
Up above
A shooting star
Filled with love

Don't cry for me
I'm not alone
May not be there
But I'm not gone
There's no more pain
Shed no more tears
Don't cry for me
Now I'm home
