

With You

Sam Bailey

I picked up your shirt, this morning
I don't know why
I don't know why
Mr Reynolds said to say hello
I started to cry
I started to cry
Every place we ever wanted,
Everywhere we talked
I miss you
You never leave my mind
So much of you is left behind
You...
Took my days with you
Took my nights with you...
Those unfinished conversations
We used to have still speak to me
And I write you letters every day
That I'll never send and you'll never see
All this wishful thinking
Gets me nowhere I can't stay
Though my heart is broken
It keeps breaking every day
You...
Took my hopes
With you...
Took my dreams
With you...
I keep thinking that you'll be calling
Everyone says that it's all in my head
And I can't accept it yet
I'm not ready to just give in
I know that I can't live in this pain
With these feelings of regret
I can't comprehend this
and pretend that I don't care
Any place I wanna be
I wanna see you there
You... took my life
with you...
whooo oooooooo
