

Wonderful

Sam Bailey

The way you're on me baby, so beautiful
I thought I knew you when we, we had it all
So many people here, I don't belong
You made me think that I was safe from harm

And my momma told me, "Stand up strong
You gotta own it all night long", so I...
I just stopped breathing, inside I died
You know I can show you, show you girl is still alive

So wonderful
Nobody's heard it, stop begging me

Wonderful
The light of your face shining over me

So, come out
I just wanna show you
I'm trying to tell you
I'm sick of bleeding
Oh, we could be so wonderful

I've been thinking 'bout it, night and day
On my knees and shouting, "Who's not afraid?"
You know, you know, you know, you know, you lost that feeling
It's time to show your girl you know, you're so deleted

And my momma told me, to stand up strong
"You gotta show your soul did right or wrong"
Don't look at me, look at my scars
I can show you one for every time you tried so hard

So wonderful
Nobody's heard it, stop begging me

Wonderful
The light of your face shining over me

So, come out
I just wanna show you
I'm trying to tell you
I'm sick of bleeding
Oh, we could be so wonderful

So wonderful
So wonderful
So wonderful
I just wanna show you
I'm trying to tell you
I'm sick of bleeding
Oh, we could be...

So wonderful
Nobody's heard it, stop begging me

Wonderful
The light of your face shining over me

So, come out
I just wanna show you
I'm trying to tell you
I'm sick of bleeding
Oh, we could be so wonderful
