

## Breathe In Life

Sam Brown

Breathe in life  
Live the feeling  
Feel the warmth inside

Throw your face back in the wind  
Feel the fresh air on your skin  
Stretch out your arms behind you  
Feel the warmth inside

Try, it's so easy

Breathe in life  
Live the feeling  
Feel the warmth inside

Like great big arms around you  
Hold you closely, bring you home  
Before you know it  
You can feel the warmth inside  
Try, it's so easy

Breathe in life  
Live the feeling  
Feel the warmth inside

Breathe...breathe...breathe...breathe...

Breathe in life  
Live the feeling  
Feel the warmth inside

Breathe in life  
Got to live the feeling  
Feel the warmth inside

Breathe...feel the warmth inside
