

# It's Okay

Sam Brown

It's okay to be broken  
It's okay to be blue  
It's okay that you've frozen  
It's okay if you lose  
When your time's going nowhere  
In a daze, like a fool  
It's okay to be broken, it's okay

Incomprehensible as it seems right now  
It's highly likely things will change  
You're inconsolable with no way out  
But you can always walk away

It's okay to be broken  
It's okay to be blue  
It's okay that you've frozen  
It's okay if you lose  
When your time's going nowhere  
In a daze, like a fool  
It's okay to be broken, it's okay

Assimilate your own reality  
It's all distorted out of shape  
You can cry and shout and kick and scream  
It doesn't matter, it's okay

It's okay to be broken  
It's okay to be blue  
It's okay that you've frozen  
It's okay you won't lose  
When your time's going nowhere  
In a daze, like a fool  
It's okay to be broken, it's okay
