

Over The Moon

Sam Brown

Over the moon
My heart is smiling, you're under my skin and I'm
So glad it's true
I'm caught in a love slide, I'm on a free ride
And ooh ooh
I'm over the moon

I never thought it would happen
I could see they were laughing, they were laughing at me
They don't know what's been going on inside
I will walk with my head held high, because I know the truth

Over the moon
My heart is smiling, you're under my skin and I'm
So glad it's true
I'm caught in a love slide, I'm on a free ride
And ooh ooh
I'm over the moon
