I'm The One

Sam Concepcion

If you let me girl, I'll make you mine
Be there for you day and night
To satisfy your every need
I promise I'll bring you pure energy

If you want a real man I'm the one for you
I'll treat you right, never play on you
No need to fuss just be with me
I know the way to your heart cuz I hold the key

Baby can't you see, you should be with me
I wanna show you what you've been missing

I'm the one who will love you girl
I'm the one who will rock your world
I'm the one baby can't you see
Baby I'm the one be with me

I'm the one who can go all night
I'm the one who can make it right
I'm the one baby can't you see
Baby I'm the one you belong with me

A simple yes, is all I need
Give me chance and you'll agree
I'll love you left, I'll love you right
Baby all I need is just one night

I'll prove to you that I'm the one
I'll make you laugh, I'll make you come
With me to see what the future brings
I'm looking for love not just a fling

Baby can't you see you should be with me
I want to show you what you've been missing

I'm the one who will love you girl
I'm the one who will rock your world
I'm the one baby can't you see
Baby I'm the one be with me

I'm the one who can go all night
I'm the one who can make it right
I'm the one baby can't you see
Baby I'm the one you belong with me

No one's gonna love you the way
That I'm gonna love you, oh no, oh no
You'll always be there by my side
It's like we're meant to be, baby just take my lead
I'll take you to paradise

I could be loving you, you could be loving me
He's just wasting your time, you might as well just set him free
Cuz I'm the one, I've always been, all I do is win

I'm the one who will love you girl

I'm the one who will rock your world
I'm the one baby can't you see
Baby I'm the one be with me

I'm the one who can go all night
I'm the one who can make it right
I'm the one baby can't you see
Baby I'm the one you belong with me
