

Loved You Better

Sam Concepcion

Don't wanna dwell on regret
But girl, it's hard to forget
All the times we spent
Never wanted this to end
Never wanted this to end
(Hey)

Baby, I don't know
If I can move on
And I can't help but think
I had done you wrong
Baby, you should know
Girl, I'm sorry
It's a shame cause now I know that

(If I had just loved you better)
Things won't need to change
We'll still be the same
(If I had just loved you better)
You won't have to blame
Won't cause no pain
(You and me could still be together)
I won't waste ya time
You'll still be mine
(If I had just loved you better)
Mmm, if I...

(If I had just loved you better)
Things won't need to change
We'll still be the same
(If I had just loved you better)
You won't have to blame
Won't cause no pain
(You and me could still be together)
I won't waste ya time
You'll still be mine
(If I had just loved you better)

Woke up in the morning, that's my 7th time
It's been a week since I last called you mine
One day at a time she said it's gon' be fine
But I can't help but think about the times I mighta
Stepped outta line
Hurt you so bad
Said some things I didn't mean that made you so mad, and yes
I feel like I took for granted what we had
If I had opened my eyes to this fact
Wouldn't be where we're at, yeah

And maybe this was a mistake
Maybe being apart isn't the smartest path to take
Maybe if we love harder we'll see farther than we think
Maybe our problems aren't meant to prod us into hate
(No, no)
And I never wanna cause you pain
I just wanna stay with you
I'd do anything to spend another day with you

And baby, I don't know
If I can move on
And I can't help but think
I had done you wrong
Baby, you should know
Girl, I'm sorry
It's a shame cuz now I know that

(If I had just loved you better)
Ooh, if I...
(If I had just loved you better)
Ooh, if I...

(If I had just loved you better)
Things won't need to change
We'll still be the same
(If I had just loved you better)
You won't have to blame
Won't cause no pain
(You and me could still be together)
I won't waste ya time
You'll still be mine
(If I had just loved you better)
Mmm, if I, if I, if I...

(If I had just loved you better)
Won't need to change
We'll still be the same, oh
(If I had just loved you better)
No no no
Won't cause no pain
(You and me could still be together)
I won't waste ya time
You'll still be mine
(If I had just loved you better)
If I...

(If I had just loved you better, if I had just loved you better)
Uh-huh
(If I had just loved you better, if I had just loved you better)
Uh-huh
(If I had just loved you better, if I had just loved you better)
Uh-huh
