

# Reload

Sam Concepcion

(Hold up, hold up)

(Hold up, hold up)

Reload  
Hands up  
Wait a minute  
Cease fire 'cause I'm running outta ammunition  
Reload  
Hold up  
Take a second  
You shot me down before I even had a weapon

Lemme tell you bout one time she did me wrong, yeah  
Shorty broke my heart and put it in a song, yeah  
She got me good, this girl done let me down  
It wasn't even me that fooled around

Why you gotta be so cruel, oh yeah  
I ain't done nothing to you, oh yeah  
You be firing them shots  
I be taking the hits  
Baby, slow it down and take your time  
I gotta

Reload  
Hands up  
Wait a minute  
Cease fire 'cause I'm running out of ammunition  
Reload  
Hold up  
Take a second  
You shot me down before I even had a weapon

(Girl, I)

Wanna say it didn't hurt but it ain't true  
Even took a while for me to get over you  
Late nights, no sleep  
I'm back on my feet  
Didn't know my way  
I'll figure it out someday

I didn't waste my love for you, oh yeah  
Tired of playing games with you, oh yeah  
Girl, you caught me off guard  
Hit me when I was down  
Middle finger on the trigger  
But first I gotta

Reload  
Hands up  
Wait a minute  
Cease fire 'cause I'm running out of ammunition  
Reload  
Hold up  
Take a second

You shot me down before I even had a weapon

(Hold up, hold up)

Reload

Yeah

You been actin' up too much, yeah

My designer costs too much, yeah

I don't really care too much, yeah

Young boy from the ghetto

Got a big bass like a cello

Bitch got blocked like a Lego

Bitch got blocked like a Lego

How you switch up on me now you blowing me up

How you switch up on me now you blowing me up

Girl I ain't gonna lie I wanna fuck one more time

I just can't be with nobody that I cannot trust

Reload

Hands up

Wait a minute

Cease fire 'cause I'm running out of ammunition

Reload

Hold up

Take a second

You shot me down before I even had a weapon

Reload

Hands up

Wait a minute

Cease fire 'cause I'm running out of ammunition

Reload

Hold up

Take a second

You shot me down before I even had a weapon
