

Just Another Day

Sam Cooke

Just another day that the Lord, my Lord has kept me
Yes it is
Just another day that I've been in my savior's care
Yes it is
Wanna say he threw, he threw his loving arms all around me
Yes he did
And there I found, I found peace, and joy right there

Another day, I've been workin' in God's vineyard
Oh yeah
Another day, you know He kept me by His side
He said "I know just how hard you've been laborin'"
Mm-hmm
He said "I want you to sit down, rest a while"

Well, when I get on home in my God's kingdom
Oh yes
I'm gonna sit down, I'm gonna sit down
All around the throne, oh lord
And he'll be there, be there with arms spread wide open
Yes he will
I'm gonna hear him say "My servant, welcome home"

Another day, I've been workin' in God's vineyard
Yes I have
Another day, you know He kept me by His side
He said "I know just how hard you've been laborin'"
Mm-hmm
He said "I want you to sit down, rest a while"
