

# You Were Made for Me

Sam Cooke

A fish was made to swim in the ocean  
A boat was made to sail on the sea  
As sure as there are stars above,  
I know I know you were made for me  
You were made for me.

A grape was made to grow on a vine  
An apple was made to grow on a tree  
As sure as there are stars above,  
I know I know you were made for me

We'll have our quarrels and you will upset me  
But what can I do?  
You've been mine ever since I met you and I'll never leave you  
No I'll never leave you  
As sure as there's a heaven up above me,  
From you I know I'll never be free.  
As sure as there are stars above,  
I know I know you were made for me.

A fish was made to swim in the ocean  
A boat was made to sail on the sea  
As sure as there are stars above,  
I know I know you were made for me  
You were made for me  
A grape was made to grow on a vine  
An apple, an apple was made to grow on a tree  
As sure as there are stars above,  
I know I know you were made for me

We'll have our quarrels and you will upset me  
But what can I do?  
You've been mine ever since I met you and i'll never  
Never leave you.

As sure as there's a heaven up above me,  
From you I know I'll never be free  
As sure as there are stars above,  
I know I know you were made for me
