

A Little Bit Of Good (Cures A Whole Lot Of Bad)

Sam & Dave

Just a little bit of good, can cure a whole lot of bad
Just a little bit of joy, can bring a whole lot of glad

I was living so fast when I met you, girl
But you picked me up when I was down
I had done some abusing, a lot of misusing
But you turned my life completely around

Just a little bit of good, can cure a whole lot of bad
Just a little bit of joy, can bring a whole lot of glad

Pretty boy, be here, with his wavy hair
Taught me things a man can do just for fun
And I hung around, with sister
'Cause she likes her men younger than some

Do wrong, don't make a right
What you do in the dark, will surely come to light
You got to live with what you got and right with what you have
That's when a little bit of good, can cure a whole lot of bad

Just a little bit, just a little bit
Just a little bit, just a little bit
Just a little bit of good, can cure a whole lot of bad
Just a little bit of good, can cure a whole lot of bad
Just a little bit of good, can cure a whole lot of bad
Just a little bit of good, can cure a whole lot of bad
Just a little bit, just a little bit
Just a little bit, just a little bit
Just a little bit, just a little bit
Just a little bit, just a little bit
Just a little bit of good, can cure a whole lot of bad
Just a little bit of good, can cure a whole lot of bad
