

# Don't Pull Your Love

Sam & Dave

Don't pull your love out on me, baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me, honey  
Take my heart, my soul, my money  
But don't leave me drowning in my tears

You say you're gonna leave  
Gonna take that big white bird  
Gonna fly right out of here  
Without a solitary word

But I know you'll break my heart  
When I watch you close that door  
'Cause I know I won't see you anymore  
Lord, lord, lord

Don't pull your love out on me, baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years (for a hundred years)  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
Don't leave me drowning in my tears

Now listen, huh  
Haven't I been good to you  
What about that brand new ring  
Have I been good to you  
Doesn't that mean anything

If I threw away my pride  
And I got down on my knees  
Would you beg me, beg me  
"Pretty please"

Don't pull your love out on me baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years  
Don't pull your love out on me honey  
Take my heart, my soul, my money  
But don't leave me drowning in my tears

Now listen  
There's so much I wanna do  
I got enough love for two  
But I'll never use it girl  
If I don't have you

Don't pull your love out on me, baby  
If you do then I think that maybe  
I'll just lay me down and cry for a hundred years (for a hundred years)  
Don't pull your love out on me, honey (don't pull your love)  
Take my heart, my soul, my money  
Don't leave me here drowning in my tears

Oh, don't pull your love (don't pull your love)  
Don't pull your love (don't pull your love)

Don't pull your love (don't pull your love)
