

Don't Turn Your Heater On

Sam & Dave

Winter coming on yeah
I need you love to keep me on
You're the only girl I love
Lot of loving worth a lot of soul
Now the time I need you around
Girl don't turn your heater down

In the summer you looked cute
Sporty thongs, I played the suitor
Higher waist and woolen slacks
Girl you know I can't go for that
Girl I need your love from head to toe
Girl don't turn your heater down

Hanging real tight now
Every day and night now
Lots of chill from the spine love
Um girl I'm out of my mind now, ow!

It's alright
Ooh yeah
Come on

Don't you know you got it made
Light your fire, pull down your shades
Let me get myself together
And I can love you in any kind of weather
But you got me running out of song
Girl don't turn your heater down

Don't turn your heater down
Don't turn your heater down
Don't turn your heater down...
