

# Just Keep Holding On

Sam & Dave

Listen

I know I was wrong so many times, yeah  
And just like the average man, it's hard to walk a chalk line  
But, in my heart I know there's no one else like you  
Sing church for me, Dave, sing church for me  
But, I'll make it up to you if you will only help to see me through

Just keep holdin' on (Keep holdin' on)  
Just keep holdin' on (Just keep)  
Now listen to me  
Say it

I know your friend said, Dave, a long time ago that I was no good  
Well maybe, well maybe they right, I don't know  
I didn't even treat ya like I should have, you know  
I remember the times when, you know  
You used to sit home alone late at night by yourself  
And, oh, you used to cry (Ohh)  
The only thing you ever asked of me, you said:  
"Sam, just be here by my side", heh!  
But if you just give me just one more try  
To wipe the tears from your weepin' eyes, baby  
I'll be the water when you're thirsty (Say it!)  
And a towel to dry your hands, now listen to this  
I'll be anything you want me to be  
And all I'm askin' you to do is let me prove I'll be your true man (Ohh)

Just keep holdin' on  
Just keep holdin' on  
Dave, I wonder can you say it by yourself  
Just keep holdin' on  
I wonder can I get somebody to help me say  
Just keep holdin' on  
Everybody help me say it  
Just keep holdin' on  
I wanna join you now and I wanna say  
Just keep Just keep holdin' on  
Just keep holdin' on  
Keep, aww, yeah  
Just keep holdin' on  
Say it for me
