

# These Arms of Mine

Sam & Dave

These arms of mine are lonely  
Lonely and feeling blue  
These arms of mine are wanting  
Wanting to hold you  
And if you just let me hold you  
Oh how grateful they will be

These arms of mine are yearning  
Yearning to hold you

These arms of mine are burning  
Burning for wanting you  
Listen to this  
If you just let them hold you  
Oh how grateful they will be  
Come on come on baby, yeah oh  
Just be my woman, oh be my little love  
Just wrap your little arms all around me  
Wrap your arms all around  
And then I want you to squeeze me  
Squeeze me 'til you can't get me no more  
Oh baby and I believe everything gonna be alright
