

## 24k Heart Of Gold

Sam Feldt

24k heart of gold

I don't wanna fight on a Friday night  
I don't want no tears in your pretty eyes  
I don't want a reason to let it die  
Please don't let it die

When it's 2AM  
You're all I wanna see  
In your arms again  
That's where I wanna be  
24k heart of gold

I need you tonight  
I need you to know  
I'm caught in the light  
Under your halo  
Cause you are the one  
You already know  
24k heart of gold

I need you tonight  
I need you to know  
I'm caught in the light  
Under your halo  
Cause you are the one  
You already know  
24k heart of gold

24k heart of gold  
(24k heart of gold)

Never feel alone  
When we synchronize  
Everything you do  
Yeah, I recognize  
Never gonna stray  
From your paradise  
24k heart of gold

I need you tonight  
I need you to know  
I'm caught in the light  
Under your halo  
Cause you are the one  
You already know  
24k heart of gold

I need you tonight  
I need you to know  
I'm caught in the light  
Under your halo  
Cause you are the one  
You already know  
24k heart of gold
