

Be My Lover

Sam Feldt

Be my, be, be my lover
La da da dee da da da da
Be my, be, be my lover
La da da dee da da da da

Is this real love or just a waste of time?
I need an explanation
Back and forth, make up your mind
Tired of hesitation

Looking back at all the time we spent together
You oughta know by now if you wanna be my lover
Wanna be my lover, be, be my lover
Wanna be my lover, be, be my lover

Be my lover, wanna be my lover
La da da dee da da da da
Be my lover, wanna be my lover
La da da dee da da da da
Do you wanna be my lover?
Do you wanna be my lover?

Oh, baby, you caught me by surprise
I thought we had somethin' special
Up and down, make up your mind
Are we on different levels?

Looking back at all the time we spent together
You oughta know by now if you wanna be my lover
Wanna be my lover, be, be my lover
Wanna be my lover, be, be my lover

Be my lover, wanna be my lover
La da da dee da da da da
Be my lover, wanna be my lover
La da da dee da da da da
Do you wanna be my lover?
Do you wanna be my lover?
Do you wanna be my lover?
Be my lover, wanna be my lover
La da da dee da da da da
Do you wanna be my lover?
Be my lover, wanna be my lover
La da da dee da da da da

Be my lover, wanna be my lover
La da da dee da da da da
You oughta know by now if you wanna be my lover
Be my lover, wanna be my lover
La da da dee da da da da
