# Blackbird

**Sam Feldt**

If I had a wish
I'd wanna be your blackbird up in the sky
Flying by
Sail away and watch the people down on Sunset and Five
Getting high

And all my years of worry
And all the things I've done
Will turn right into water, like snowflakes in the sun

If I had a wish
I'd wanna be your blackbird up in the sky
Fly you high

If I had a wish
I wanna be your blackbird up in the sky
Flying by
Sail away and watch the people down on Sunset and Five
Getting high

And all my years of worry
And all the things I've done
Will turn right into water, like snowflakes in the sun

If I had a wish
I'd wanna be your blackbird up in the sky
Fly you high

And every time I close my eyes
I'll be there with you (there with you)
Out of this world and out my mind
Swear I'm going to (go with you)

If I had a wish
I'd wanna be your blackbird up in the sky
Fly you high

And all my years of worry
And all the things I've done
Will turn right into water, like snowflakes in the sun
If I had a wish
I'd wanna be your blackbird up in the sky
Fly you high
