

# Chasing After You

Sam Feldt

She's building me up  
And she's tearing me down  
It's never enough  
And she's never around  
And I thought I could leave  
But she's pulling me in  
Heart on my sleeve  
Here we go again, yeah

After all this trouble I've been through  
I am still chasing after you  
I am still chasing after you  
And after all these things I thought I knew  
I must not have a clue  
'Cause I am still chasing after, chasing after you  
Chasing after you  
After all this trouble I've been through  
I am still chasing after you  
I am still chasing after you  
And after all these things I thought I knew  
I must not have a clue  
'Cause I am still chasing after you

I don't know where she's been  
And I don't wanna wait  
I don't wanna pretend  
And I don't wanna leave  
But she's under my skin  
Will I ever believe?  
Here we go again, here we go again, yeah  
Here we go again, here we go again  
Here we go again, here we go again, yeah

After all this trouble I've been through  
I am still chasing after you  
I am still chasing after you  
And after all these things I thought I knew  
I must not have a clue  
'Cause I am still chasing after, chasing after you  
Chasing after you  
After all this trouble I've been through  
I am still chasing after you  
I am still chasing after you  
And after all these things I thought I knew  
I must not have a clue  
'Cause I am still chasing after you  
Chasing after you  
Chasing after you  
Chasing after you
