

I'll Be Back

Sam Feldt

Lately I've been thinking of a one-way ride
Maybe take my car and drive
I don't really know when I'll be back
But I know, that I'll be fine

Lately I've been thinking of a one-way flight
Maybe to Hawaii or France
I don't really know when I'm coming home
But I know, that I'll be back

Lately I've been thinking of a one-way ride
Maybe take my car and drive
I don't really know when I'll be back
But I know, that I'll be fine

Lately I've been thinking of a one-way flight
Maybe to Hawaii or France
I don't really know when I'm coming home
But I know, that I'll be back

Lately I've been thinking of a one-way flight
Maybe to Hawaii or France
I don't really know when I'm coming home
But I know, that I'll be back
