

## Silverskin

Sam Feldt

In a world where everybody's chasin' gold  
For a flash in the rain like a thunderbolt  
Fillin' up on anything that glitters and glows  
It comes and goes  
It comes and goes

But it's permanent, the way you shine  
When you put your hand in mine  
Never fades away in time  
Keep me so close  
Keep me so close

You're a light in the shimmer of a midnight moon  
There you are in the middle of a grey and blue  
Like a spell makin' me come to you  
Keep me so close  
Keep me so close

But it's permanent the way you shine  
When you put your hand in mine  
Never fades away in time  
Keep me so close  
Keep me so close
