

SLEEP TONIGHT (THIS IS THE LIFE)

Sam Feldt

Why you boy, you just can't take it?
I'm in the bus, you know that you leave me waitin'
Come and kiss my neck, come and pull my waist in
Baby, I'm so bad, I'm a real temptation

You wanna touch it
Don't wanna rush it
Know where the heart is
I know it's on your mind

When you're lookin' at me with that look in your eyes
Said you're stayin' for a trip, but now you're on trip number five
Baby, I know, I know where you're gonna sleep tonight
Now you're here on your own 'cause your friends said goodbye
And we're fuckin' with the rhythm, but we're talkin' to the side
Baby, I know, I know where you're gonna sleep tonight

Where you're gonna sleep tonight
Where you're gonna sleep tonight
I know
Where you're gonna sleep tonight
Where you're gonna sleep tonight
I know

I sit back, baby, let it happen
Make you feel somethin' that I know you haven't
You can say the word, I know I'll take action
But you buy my drinks cause you're real old fashioned

You wanna touch it
Don't wanna rush it
Baby, come try it (Yeah)
I know it's on your mind

When you're lookin' at me with that look in your eyes
Said you're stayin' for a trip, but now you're on trip number five
Baby, I know, I know where you're gonna sleep tonight
Now you're here on your own 'cause your friends said goodbye
And we're fuckin' with the rhythm, but we're talkin' to the side
Baby, I know, I know where you're gonna sleep tonight

Where you're gonna sleep tonight
Where you're gonna sleep tonight
I know
Where you're gonna sleep tonight
Where you're gonna sleep tonight
I know

When you're lookin' at me with that look in your eyes
Said you're stayin' for a trip, but now you're on trip number five
Baby, I know, I know where you're gonna sleep tonight
Now you're here on your own 'cause your friends said goodbye
And we're fuckin' with the rhythm, but we're talkin' to the side
Baby, I know, I know where you're gonna sleep tonight

Where you're gonna sleep tonight
