

Use Your Love

Sam Feldt

Told myself that I didn't care
All the while, you were standing there
Like a child that was running scared
Wasting time like a millionaire

I've been overthinking all my life
Probably missed the bus a thousand times
Would I even know it if it's right?
When all I know, all I know

Is I use my head too much
Don't use my heart enough
I sure could use your love to guide me
I use my head too much
Wish I could open up
I sure could use your love to find me
I could use your love

Oh, oh
I could use your love
Oh, oh
I could use your love
I could use your love
I could use your love

I got lost in the making sense
See a knife through a broken lens
I shot down and away you went
Didn't love you like you shoulda been

I've been overthinking all my life
Probably missed the bus a thousand times
Would I even know it if it's right?
When all I know, all I know

Is I use my head too much
Don't use my heart enough
I sure could use your love to guide me
I use my head too much
Wish I could open up
I sure could use your love to find me
I could use your love

Oh, oh
I could use your love
Oh, oh
I could use your love
I could use your love

'Cause I use my head too much
Don't use my heart enough
I sure could use your love to guide me
I use my head too much
Wish I could open up
I sure could use your love to find me
I could use your love
