

# Kinfolks

Sam Hunt

I saw you goin' by, I had to say, "Hello"  
And I don't mean to pry but  
Girl, I gotta know, what is your name?  
How come I ain't seen you around before?

You know I ain't never had a type  
Having a type takes two  
But I know what I like  
And you're the only one of you  
You're something else  
And I know we just met but

I wanna introduce you to my kinfolks  
To my old friends  
To the house in the pines where the road ends  
Take you to my hometown  
Where I grew up  
Where I thought I knew it all before I knew what love was  
Gave up on it  
But honey you got my hopes up  
And I'm thinkin' that I wanna introduce you to my kinfolks

I wanna take you home  
Not just take you home tonight  
Get Joanie on the phone  
She'll leave us on a light  
I wanna see the way you look up under all those stars

You're gonna be the talk  
Word's gonna get around

They'll tell you how they thought I'd  
Never settle down  
Out on the porch  
Ain't it funny the way things change

I wanna introduce you to my kinfolks  
To my old friends  
To the house in the pines where the road ends  
Take you to my hometown  
Where I grew up  
Where I thought I knew it all before I knew what love was  
Gave up on it  
But honey you got my hopes up  
And I'm thinkin' that I wanna introduce you to my kinfolks

I don't wanna wait around for the right time

I wanna introduce you to my kinfolks  
To my old friends  
To the house in the pines where the road ends  
Take you to my hometown  
Where I grew up  
Where I thought I knew it all before I knew what love was  
Gave up on it  
But honey you got my hopes up  
And I'm thinkin' that I wanna introduce you to my kinfolks

And I'm thinkin' that I wanna introduce you to my kinfolks
