

# Nothing Lasts Forever

Sam Hunt

Say I'm just a youthful phase  
Something to do on Saturdays  
Say it's the best you ever had  
Or say it's bad  
Say it's something  
Just don't say it's nothing

'Cause nothing lasts forever  
Nothing lasts forever  
So say I'm someone that you wish you never met  
Your best mistake, your worst regret  
Say everything  
Say anything but nothing  
'Cause nothing lasts forever  
Nothing lasts forever

Tell me that you fixed your hair  
And overthink the clothes you wear  
In case you see me out somewhere  
Or listen to my old voicemails and hate yourself  
For still feeling somethin'  
When we're nothin'

'Cause nothing lasts forever  
Nothing lasts forever  
So say I'm someone that you wish you never met  
Your best mistake, your worst regret  
Say everything  
Say anything but nothing

(Nothing lasts forever)

Tell me you feel guilty  
Tell me you feel childish  
Tell me you feel sorry for me  
Tell me you feel stupid  
Tell me you feel lonely  
Tell me you feel something for me

'Cause nothing lasts forever  
(Nothing lasts forever)  
So say I'm someone that you wish you never met  
Your best mistake, your worst regret  
Say everything  
Say anything but nothing  
'Cause nothing lasts forever  
Nothing lasts forever

Nothing lasts  
(Forever)  
(Nothing lasts forever)
