

## Dance

Sam Kim

I got a question can I stay awhile  
Do I have a chance with you darling  
I saw your smile  
Your eyes from a mile away  
Say the words  
That I'm wanting to hear  
You're a girl  
So accustomed to the fast life  
Feel that bass  
Running through all your skin  
I saw your smile  
Your eyes from a mile away  
For the night you are mine  
You are mine  
Come on I want to see you dance  
Shake that body lose control  
And wave your arms up in the air  
Just dance clap dance clap  
Better let it get that bass slap  
Woo na na na na na na na na na  
I got a question can you stay awhile  
Time is slipping by from us baby  
I saw your smile your eyes  
I'm in love with this feeling  
And I'm losing my damn mind  
And we will dance to the rhythm  
Dance dance to the rhythm  
We will dance to the rhythm  
Dance dance to the rhythm  
Side to side with the beat  
Get your body close to me cuz'  
For the night you are mine  
You are mine  
Come on I want to see you dance  
Shake that body lose control  
And wave your arms up in the air  
Just dance clap dance clap  
Better let it get that bass slap  
Woo na na na na na na na na na  
Woo na na na na na na na na na  
And we will dance to the rhythm  
Dance dance to the rhythm  
What you need whatever you do  
Whatever you feel whatever it is  
Don't hesitate at all to tell me  
Fix your broken heart cuz'  
For the night you are mine  
You are mine  
Come on I want to see you dance  
Shake that body lose control  
And wave your arms up in the air  
Just dance clap dance clap  
Better let it get that bass slap  
Woo na na na na na na na na na  
Come on I want to see you dance  
Shake that body lose control  
And wave your arms up in the air

Just dance clap dance clap  
Better let it get that bass slap  
Woo na na na na na na na na
