Stop being so cold to me
Everything was my fault
I'm not used to seeing you like this
Because of my damn pride
Baby babe hate to see you cry
Just talk to me
Talk to me

Can we make up in the morning
Let's talk right now
It's obvious you're gonna cry yourself to sleep again
I know you

Baby babe hate to see you cry
Baby babe talk to me
Talk to me
Talk to me

Stop saying I'm neglecting you all the time
Don't hang up like this
You said we should be honest, baby
Don't punish me, I can't do anything
No, stop it now

I'm sighing even in my dream
I can feel it, how can you ignore this?
As time goes by
I'm getting more nervous

Can we make up in the morning
Let's talk right now
It's obvious you're gonna cry yourself to sleep again
I know you

Can we make up in the morning
Baby babe hate to see you cry
Baby babe talk to me
Talk to me
Talk to me

I'll be better, yeah I get it
Please, say something
I can't do anything all day
I know you're not gonna sleep and
Just tell me everything, yeah yeah
Oh baby babe please hate to see you cry
Baby babe talk to me
Talk to me

Can we make up in the morning
Better yet talk right now
It's obvious you're gonna cry yourself to sleep again
