That's how it was back then
The way you talk, the way you look
It's still so beautiful

There's so much more that we know
Compared to back then
Suddenly, you're smiling like you're an adult

I'm still in that place
I can't go anywhere
They say I changed a lot
But I don't know, I feel the same

When you fall away
When you fall away
Dream of me

Your eyes always had so much to say
I wonder what type of sky you're looking at now

Are you in love?
Somewhere, without any tears
Are you reminiscing our days?

Nights we loved till we ran out of breath
Confession written on the palm of my hands
Baby Maybe I
The song we thought of at the same time
Pretty wings evergreen our melody

When you fall away
When you fall, I'll say
Hello from here

Just quietly enough so I can't hear
Just quietly enough so it won't reach you

I'll send over a quiet hello without a name on it
