

# The Idiot

Sam Nelson

Silver tongue, sleight of hand  
No, I never meant to be your man  
Made the rules, played my games  
Swore I didn't have a heart to break, but

Seeing you with him  
Oh, I can see the joke's on me

I guess I'm the idiot  
Guess I have no right to be mad at you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you  
Guess I'm the idiot  
Guess you were playin' me, playin' you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you  
Whoa-oh-whoa  
Mhm-hmm

I had my tricks up my sleeve  
I was supposed to be the one who leaves, but  
Shame on you, shame on me  
For thinking I could get away stress-free, but

Seeing you with him  
Oh, I can see that the joke's on me

And I guess I'm the idiot  
Guess I have no right to be mad at you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you  
Guess I'm the idiot  
Guess you were playin' me, playin' you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you, fooled by you

Fool, yeah  
Fooled by you, oh-oh-oh

I guess I'm the idiot  
Guess I have no right to be mad at you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you  
Guess I'm the idiot  
Guess you were playin' me, playin' you  
Guess I'm the hypocrite  
I'm just the fool who got fooled by you

Baby, I'm a fool  
Yeah, who got fooled by you-oooh, woo-hoo  
Three cheers for the idiot  
Woo, woo-hoo, woo-hoo  
Three cheers for the idiot  
Woo-woo, woo-woo, hoo-hoo
