

Another Song

Sam Phillips

Everything used to make me smile
Everything used to make me smile
And then you went away
And did you ever love me
Did you ever love me
La, la, la la, lah

Born from desire
Not from need
Pulled back the veil
And disappeared
Measure time in miles
And days in the
And love this life
Till the lonely water fills your room
And the soul won't float with hers
But before you go down
You write another song

Da, da, da, da, da, dah
Da, da, da, da
Did you ever love me
La, la, la la, lah
