

Flowers Up

Sam Phillips

Imagine no one noticing you
Seeing what they can't see
(?) writes the epitaph
Bigger than T.V.

[Chorus: Repeat 2X]

Flowers up
Everything but not enough
Flowers up
Everything but not enough
La, la, la, la, la, la la, la

Diamond eyes, sweat in silk
Midnight pools
Date palms and wind machines
Waves of heat from pretty fools

La, la, la, la la la la, la, la
La, la, la, la la la la, la, la
La, la, la, la la la la, la, la
La, la, la, la la la la, la, la
La, la, la, la la la la, la, la
La, la, la, la la la la, la, la
