

# Lying

Sam Phillips

If I said I believe my eyes  
And science can move my soul  
If I said I'm not afraid to die  
And I don't need you

I'd be lying

If I said the way he looks at me  
Doesn't make me want to undress  
If I said I could leave you now  
And go where I could forget

I'd be lying

I've been lying all my life with silence  
And I need to find the words to tell you

If I said I don't want what I don't have  
And all the answers are enough  
If I said I believe in myself  
And that's enough

I'd be lying
