Lost In You

Sam Ryder

I remember the moment that I caught your eye
In that bar on the hill on a cold winter night
I was lost in you
I was so lost in you

I tried to be cool, but my words ran away
Drowned out by the music before I could say
I was lost in you
So simply lost in you

It's too good to be true

If I wake up to find this was all just a dream
I'd retrace every step and replay every scene
I'd make all the same choices and all the same moves
If it led me back in to the room

Where I found myself lost in you
I found myself lost in you
Oh, I found myself lost in you, oh-oh
Found myself lost in you

I wanted to call you, I waited for days
'Cause I didn't want you to know right away
I was lost in you
So helplessly lost in you

In my life there've been moments that felt just like love
But they faded to nothing and I hope that's not us
'Cause I'm lost in you
So damn utterly lost in you

It's too good to be true

If I wake up to find this was all just a dream
I'd retrace every step and replay every scene
I'd make all the same choices and all the same moves
If it led me back in to the room

Where I found myself lost in you
I found myself lost in you
Oh, I found myself lost in you
Found myself lost in you

If time took me back to that bar on the hill
I'd be scared I'd change something
'Cause maybe I'd never feel lost in you
I found myself lost in you
I found myself lost in you
So helplessly lost in you
I found myself lost in you
