Sam Ryder

I wanna climb, I wanna dive into the deep end
I wanna run, I wanna fly but doing it with you
Finding the love, building it up like a cathedral
I wanna see the rest of the world the same way that you do
I wanna be the home that you leave and you return to
I wanna stay here in your arms as long as I can do

The silver hair and golden years
That seem so far until they're near
There's so much left to do down here, I know

All anyone wants is just more time, more life, more healing
More love, more us, more feeling, yeah
Oh, I just need, I'm just needing
More you, more nights for dreaming
These days go by so fast and I
Oh, I just need, I'm just needing more, oh yeah

(More) Oh, I just need, I'm just needing
(More) Oh, I just need, I'm just needing
(More) Yeah, I just need, I'm just needing more
More-oooh

I want you to see the sun coming up over the pyramids
I wanna give you everything that you ever wanted
Oh, but I just need, I just need more time

The silver hair and golden years
That seem so far until they're near
There's so much left to do down here, I know

All anyone wants is just more time, more life, more healing
More love, more us, more feeling, yeah
Oh, I just need, I'm just needing
More you, more nights for dreaming
These days go by so fast and I
Oh, I just need, I'm just needing more, oh yeah

(More) Oh, I just need, I'm just needing
(More) Oh, I just need, I'm just needing
(More) Yeah, I just need, I'm just needing more
Oh, hey
(More) Oh, I just need, I'm just needing
(More) Oh, I just need, I'm just needing
(More) Yeah, I just need, I'm just needing more

There's not enough time in my life
For you and I, there's not enough time
Whoa, there's not enough time in my life
For you and I, there's not enough time
Oh, yeah yeah
