Set You Free

Sam Ryder

When I hold you, baby
Feel your heartbeat close to me
I, want to stay in your arms forever
Only love can set you free

When I hold you, baby
Feel your heartbeat close to me
Want to stay in your arms forever
Only love can set you free

When I wake each morning
As the storm beats down on me
And I know we belong together
Only love can set you free

Ayaya aye – ah ah aye
Ayaya aye – ah ah aye
(Set you free, set you free)
Ayaya aye – ah ah aye
Ayaya aye – ah ah aye

When we touch each other
In a state of ecstasy
Want this night to last forever
Only love can set you free
Oh, baby, only love can set you free
Only love can set you free
Only love can set you free
