Sam Short

We checking late at the Super 8 motel
You say you got a face that I know that I could sell
And I know you're game but I like to play too
So I strip it down, spin around, go to town for you, I do
And you say the camera loves me, well I love it too, I'm a

Supermodel
You don't know what it is
But you're saying that I got it
And I get it
You wanna take a photo
So you know you won't forget it
Click click there you go
Pretty when I pose
Pretty in my clothes
Prettier when my clothes come off
Supermodel
I'm a supermodel

I'm a superstar, sing a song, smoke a cigarette
Nineteen, pipe dreams, I know everything
You were in a movie but the movie didn't pay the rent
You're just a guy that I met on set
And you take photos on the side
And I need your headshot so why not
Look at your body you're hired
And what we do tonight might get you fired

Supermodel
You don't know what it is
But you're saying that I got it
And I get it
You wanna take a photo
So you know you won't forget it
Click click there you go
Pretty when I pose
Pretty in my clothes
Prettier when my clothes come off
Supermodel
I'm a supermodel

You think that I'm super hot
And I think that's super hot
Did I leave my body somewhere?
Did I dress her up for fun
It'll delete itself, don't mind
That I left my phone behind
But it might be like somebody once I'm on my way
'Cause I'm a

Supermodel
I've got a really pretty face and
I look even better when I'm naked
And I like when you say it
So say it, I'm a
