

Lay Me Down

Sam Smith

E

Yes I do, I believe
That one day I will be, where I was

A

Right there, right next to you
And it's hard, the days just seem so dark
The moon, the stars, are nothing without you

E

Your touch, your skin, where do I begin?

A

No words can explain, the way I'm missing you
The night, this emptiness, this hole that I'm inside
These tears, they tell their own story

F#m A Dbm B

You told me not to cry when you were gone

F#m A B

But the feelings overwhelming, it's much too strong

E Dbm F#m A

Can I lay by your side, next to you, you

E Dbm

And make sure you're alright

F#m A

I'll take care of you,

A E

And I don't want to be here if I can't be with you tonight

E

I'm reaching out to you

A

Can you hear my call?

E

This hurt that I've been through

A

I'm missing you, missing you like crazy

F#m A Dbm B

You told me not to cry when you were gone
