

# Leave Your Lover

Sam Smith

D

**D** **A** **G**  
1. I don't have much to give, but I don't care for gold  
**G** **Em7** **D**  
What use is money, when you need someone to hold  
**D** **A** **G**  
Don't have direction I'm just rolling down this road  
**G** **Em7** **D**  
Waiting for you to bring me in from out the cold

**Em** **F#m**  
X: You'll never know the endless nights, the rhyming of the rain,

**Em** **A**  
Or how it feels to fall behind and watch you call his name

**D** **Em**  
R: Pack up and leave everything, don't you see what I can bring  
**G** **G/F#** **Em** **D**  
Can't keep this beating heart at bay  
**D** **Em**  
Set my midnight terror free, I will give you all of me  
**Bm** **E7** **G** **D**  
Leave your lover, leave him for me  
**Bm** **E7** **G** **D**  
Leave your lover, leave him for me

**D** **Em** **G** **G/F#** **Em** **D**

2. We sit in bars and raise our drinks to growing old  
I'm in love with you and you will never know,  
But if I can't have you I'll walk this life alone  
Spare you the rising storms and let the river flow

X: You'll never know...

R: Pack up and leave everything...
