

# One Last Song

Sam Smith

Maybe one day  
I won't sing about you  
I'll sing a song about someone new  
But right here, right now  
You are on my mind  
And I think about you all the time  
I'm sending a message to you  
And I'm hoping that it will get through

When it was good  
It was bittersweet honey  
You made me sad  
'Til I loved the shade of blue  
I know you don't want to talk to me  
So this is what I will do  
Maybe you're listening  
So here's one last song for you  
Here's one last song for you

And I hope it makes you feel  
And I hope it makes you burn  
And I hope it reminds you  
Of how much it hurt  
I'm sending a message to you  
And I'm hoping that it will get through

When it was good  
It was bittersweet honey  
You made me sad  
'Til I loved the shade of blue  
I know you don't want to talk to me  
So this is what I will do  
Maybe you're listening  
So here's one last song for you

In case you hear this  
Then know you're the love of my life  
Want to tell you I'm sorry  
I miss having you by my side  
When you were mine

When it was good  
It was bittersweet honey  
You made me sad  
'Til I loved the shade of blue  
I know you don't want to talk to me  
So this is what I will do  
Maybe you're listening  
So here's one last song for you  
Here's one last song for you
