

Perfect

Sam Smith

I'm not perfect, but I'm worth it
I'm not perfect, but I'm workin' on it
I go up, I go down, I go all the way around
I'm not perfect, but I'm worth it

I used to love the nightlife
Till the nightlife got too lonely
Might be time for the right guy
Got a feeling that it could be you

You like them crazy, do you?
I'm crazy through and through
I wear my flaws like jewellery
And I'm dripping

Yeah, I used to love the nightlife
Till the nightlife got too boring
Might be time for the right guy, yeah
Got a feeling that it could be you
Could be you, should be you
Two plus two makes one in love
It could be us, baby, touch
I'm soft to touch, yeah

I'm not perfect, but I'm worth it
I'm not perfect, but I'm workin' on it
I go up, I go down, I go all the way around
I'm not perfect, but I'm worth it

Big lips just how I like
Be brave, boy, put them on me
I go crazy in the twilight
Got a feeling that you do too
You love that trouble, do you?
I'm trouble through and through
I wear my flaws like jewellery
And I'm dripping

Used to pretend that I was someone different
'Cause I was scared of what the world would think
But lately, I've been leaning into myself (Loca)
Put the old me in a ship and let it sink (Yeah)
Now I truly love who I am
There's no one I'd rather be (I'm trouble)
You like me and I love me too
Now I'm ready

You like them crazy, do you? (Crazy)
I'm crazy through and through (Through and through)
I wear my flaws like jewellery
And I'm dripping

I'm not perfect, but I'm worth it
I'm not perfect, but I'm workin' on it
I go up, I go down (I go down), I go all the way around (I go all the way around)
I'm not perfect, but I'm worth it

But I'm worth it, oh (Yeah, yeah, yeah)
(Yeah, yeah, yeah)
Oh (Yeah, yeah, yeah, yeah, yeah)
Now you know I'm not perfect
But you're the one that's worth it
Yeah, you know, yeah, you know
Yeah, you know, yeah, you know
I'm worth it, you know I'm worth it
You know I'm worth it
You know I'm worth it, yeah
You know I'm worth it, yeah, yeah, yeah, yeah
