Young

Sam Smith

I wanna be wild and young And not be afraid to lose Cry on my own Me and my bottle These are the things I choose But they're watching me, judging me Making me feel so used Can't you see That all I wanna do is Get a little wild Get a little high Kiss a hundred boys and Not feel like I'm tied to them If you wanna judge me then Go and load the gun I've done nothing wrong I'm young Oh, oh Oh, oh I wanna fight And fall off the tables Then wait to regret last night My heavy heart pounds deep like a dagger 'Cause I'm not afraid To bite But they're watching me, judging me Making me feel so used Can't you see That all I wanna do is Get a little wild Get a little high Kiss a hundred boys and Not feel like I'm tied to them If you wanna judge me then Go and load the gun I've done nothing wrong I'm young Get a little wild Get a little high Kiss a hundred boys and Not feel like I'm tied to them If you wanna judge me then Go and load the gun I've done nothing wrong I'm young
