

## True 2 U

Sam Sparro

(True to you)  
Oh yeah

I know you been running  
Running for a while  
I can see your burdens  
Are wearing down your smile  
But if you just hold on to the things I say  
Give me time to show my ways  
I swear that you'll feel differently

Crying eyes  
About a thousand lies  
Babe, it's time you had  
A love that gives enough

Allow me to introduce  
You to a love that's true  
I know that you played the fool  
But you should get used to  
A love that's true to you

True to you, true to you  
True to you (a love that's true to you)  
True to you, true to you (oh yeah)

You might still be broken  
And it may not be time  
But I hope when you're ready  
I'll be on your mind  
'Cause I won't do you like you been done before  
Run around 'cause I know for sure  
That you're the one that I do adore, yeah

Crying eyes  
About a thousand lies  
Babe, it's time you had  
A love that gives enough

Allow me to introduce (introduce to you)  
You to a love that's true (you to a love that's true)  
I know that you played the fool (you played the fool)  
But you should get used to (get used to a love that's true to you)

True to you, true to you  
True to you (a love that's true, a love that's true to you)  
True to you, true to you (hey, hey, I wanna give it all to you)  
True to you, true to you (oh)  
True to you (oh yeah)  
True to you, true to you (a love that's true  
I said a love that's true to you)

A love that's true to you  
Allow me to introduce you
