

Applause

Sam Tinnesz

Hot off the press
Coming in like a blaze
Dressed like I'm blessed
Taking over the place
Follow me now
I'll show you my ways
Gotta getcha some so
Come out and play
Gotta getcha some so
Come out and play

Give me all the the vibe all the shine all the glamour
Can I get a round of applause for the camera

Shine
We shine
Shine
We shine
Shine

I'm the original classic
Fantastic
I'm like Houdini
It's magic
I'm making waves
Like Atlantic
I bring the heavy
Bombastic

Give me all the the wow all the pow I can handle
Can I get a round of applause for the camera

Shine
We shine
Shine
We shine
We shine

Alright
1, 2, 3
Put ya hands together
Nothing sounding better
Put ya hands together
Nothing sounding better
I like that sound

Shine
We shine
Shine
We shine
We shine
