

# Are You Ready

Sam Tinnesz

Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
This is the moment, yeah

We got the fire inside  
Gonna watch it come alive  
Yeah, yeah  
Nothing's gonna hold us back  
Gotta make the feeling last  
Yeah, yeah

Let's shoot for the stars, we don't stop  
Step up to the edge, let's take off

Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
Dreams are in motion, yeah  
Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
This is the moment, yeah

Pushing past the limits  
Now we're really living  
Yeah, yeah  
See it with my eyes closed  
Heartbeat's running wild  
Yeah, yeah

Let's shoot for the stars, we don't stop  
Step up to the edge, let's take off

Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
Dreams are in motion, yeah  
Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
This is the moment, yeah

For the winners, winners  
For the dreamers, dreamers  
The believers, believers  
Come on, it's here

Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
Dreams are in motion, yeah  
Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
This is the moment, yeah

Oh, oh, oh  
Are you ready, are you ready for it?  
Are you ready, are you ready for it?  
This is the moment, yeah
