

# Darkside

Sam Tinnesz

Wild

Burning red on the edge of the dial  
Looking out through the eyes of a psycho  
No, I never learned to turn down

My punishment, is living deep of the haze of the medicine  
Oh, I lost every trace of my innocence  
It's a ghost in the past now

Oh, I wish that it wasn't  
But I just can't control it  
Oh, the black train keeps rolling  
After all these years  
I wish that it wasn't  
But I just can't control it  
Oh, the demons are laughing  
After all these years

Even in the dark times  
Do you love me, love me?  
Even in my dark side  
Will you hold my hand?  
Even in the dark times  
Do you love me, love me?  
Even in my dark side  
Will you hold my hand?

Lions

In my head, can you hear the defiance?  
Showing teeth for a taste of the violence  
Just a part of my nature

Oh, I wish that it wasn't  
But I just can't control it  
Oh, the black train keeps rolling  
After all these years  
I wish that it wasn't  
But I just can't control it  
Oh, the demons are laughing  
After all these years

Even in the dark times  
Do you love me, love me?  
Even in my dark side  
Will you hold my hand?  
Even in the dark times  
Do you love me, love me?  
Even in my dark side  
Will you hold my hand?

'Cause underneath the dark side, there's an honest man  
Underneath the dark side, there's an honest man  
I'd never lie to you  
But you can't handle the truth  
I'd never lie to you  
You know that I'd die for you  
'Cause I got nothing to lose (I got nothing to lose)

I got nothing to lose (I got nothing to lose)  
Oh, I got nothing to lose

Even in the dark times  
Do you love me, love me? (Love me?)  
Even in my dark side  
Will you hold my hand? (Will you hold my hand?)  
Even in the dark times  
Do you love me, love me? (Love me?)  
Even in my dark side  
Will you hold my hand?

'Cause underneath the dark side, there's an honest man  
Underneath the dark side, there's an honest man  
'Cause underneath the dark side, there's an honest man
