

Dynamite

Sam Tinnesz

Living dangerous, don't need motivation
Tearing up the check and catching glory is the payment
Ain't it? Funny how they think that they can tame this
Now I've seen it all

Hey, they say don't push on the cages
Ey, they might not like what I'm saying
Oh, this revolution is knocking at the door
Strike the match, oh-oh, oh-oh-oh
Burn the fuse, oh-oh, oh-oh-oh
Full attack, oh-oh, oh-oh-oh
Set it off, set it off like dynamite

Yeah
Yeah
Yeah
Go ahead, set it off like dynamite
Strike the match, burn the fuse (yeah)
Full attack, on the move (yeah)
Blow it up, watch it boom (yeah)
Set it off, set it off like dynamite

Made a legend, that was my invention
Hallway got my patent now I'm coming back for seconds
Listen, this could be a message for the millions
You can have it all

Hey, they say don't push on the cages
Ey, they might not like what I'm saying
Oh, this revolution is knocking at the door
Strike the match, oh-oh, oh-oh-oh
Burn the fuse, oh-oh, oh-oh-oh
Full attack, oh-oh, oh-oh-oh
Set it off, set it off like dynamite

Yeah
(Let's go) yeah
Yeah
Go ahead, set it off like dynamite
Strike the match, burn the fuse (yeah)
Full attack, on the move (yeah)
Blow it up, watch it boom (yeah)
Set it off, set it off like dynamite

Revolution, revolution
Revolution is at your door
Revolution, revolution
Revolution is at the door
Set it off like dynamite

Set it off, set it off (yeah)
Let's go (yeah)
Set it off, set it off (yeah)
Go ahead, set it off like dynamite
Strike the match, burn the fuse (yeah)
Full attack, on the move (yeah)
Blow it up, watch it boom (yeah)

Set it off, set it off like dynamite
