

Fighting For Every Breath

Sam Tinnesz

Troubled waters pulling me out farther
Than I ever planned to go, ever planned to go
All these troubled waters, like a lamb to the slaughter
Will I ever make it home, ever make it home?

Oh-oh-oh
I'm heavy in the way too deep
Oh-oh-oh
I'm way too deep

Got my head above the waves
But my body's going under
Now I'm fighting for every breath
Fighting for every breath
Don't know how much I can take
Oh, my soul, it rolls like thunder
Got me fighting for every breath
Fighting for every breath

Fighting for every breath
Oh-oh-oh, oh
Fighting for every breath
Oh-oh-oh, oh

Heaven, help me, I could use a little mercy
For this guilty soul of mine, guilty soul of mine
Heaven, help me, the night is so unhealthy
And I'm waiting for the light, waiting for the light

Got my head above the waves
But my body's going under
Now I'm fighting for every breath
Fighting for every breath
Don't know how much I can take
Oh, my soul, it rolls like thunder
Got me fighting for every breath
Fighting for every breath

Fighting for every breath
Oh-oh-oh, oh
Fighting for every breath
Oh-oh-oh, oh

I never thought I'd be here
Losing it all like this
I never thought I'd be here
Losing it all...
I never thought I'd be here
Losing it all like this
I never thought I'd be here
Losing it all...

Got my head above the waves
But my body's going under
Now I'm fighting for every breath
Fighting for every breath
Don't know how much I can take

Oh, my soul, it rolls like thunder
Got me fighting for every breath
Fighting for every breath

Fighting for every breath
Oh-oh-oh, oh
Fighting for every breath
Oh-oh-oh, oh
Fighting for every breath
(Yeah) Oh-oh-oh, oh
Fighting for every breath
(Yeah, yeah) Oh-oh-oh, oh
