

# Overcome

Sam Tinnesz

Left for dead, broken down  
But it's our blood that feeds this ground  
I know, I know  
Our innocence been stolen now  
All our dreams are tangled then  
Erode, erode

The scars, we wear them well  
We've seen heaven, we've seen hell (yeah)

We will overcome  
We're gettin' stronger (ooh-ooh)  
Gettin' stronger (ooh-ooh) (yeah)  
We will overcome  
Till the nightmare is over (ooh-ooh)  
Till it's over (ooh-ooh)  
We will overcome

Oh-oh-oh-oh-oh (yeah)

Fires burnin' through the night  
There's no tellin' where it's  
Gonna go (woo-ooh), gonna go (woo-ooh)  
Runnin' wild, runnin' blind  
But the embers never  
Reach our souls (woo-ooh), reach our souls (woo-ooh-ooh)

The scars, we wear them well  
We've seen heaven, we've seen hell (yeah)

We will overcome  
We're gettin' stronger (ooh-ooh)  
Gettin' stronger (ooh-ooh) (yeah)  
We will overcome  
Till the nightmare is over (ooh-ooh)  
Till it's over (ooh-ooh)  
We will overcome

Yeah  
Plant the seed of freedom then watch it manifest  
Prosperity in our vision, high up on the shelf (yeah)  
Next to God's plan so don't get caught up in the quicksand  
Pay no mind to what's trendin' (yeah)  
Darkness cover us all but beyond the flesh  
That's the spiritual nest for us to lay in, play in (yeah)  
Feel safe in, to unify the broken, walkin'  
On deprived pavement, so keep your hands on the rope 'cause you know

We will overcome  
We're gettin' stronger (yeah)  
Gettin' stronger (mmh-mmh-mmh)  
We will overcome  
Till the nightmare is over (yeah)  
Till it's over (mmh-mmh-mmh)  
We will overcome
