

Ready For Some Action

Sam Tinnesz

Bring on the ruckus
Walk the wire
Live in the moment make it wilder
Light up the matches
Feed the fire
Take every second a little bit higher

Pullin the punches don't hold back
Lovin madness let's go fast

Ready for some action
Action
Ready for some action

It feels amazing
When hearts are racing
Faster than the speed of lightning
Bringin the pure gold
It never gets old
Oh my my can't help but like it

Gimme the crazy don't hold back
Lovin madness let's get

Ready for some action
